

# JES Lighting Housekeeping Instructions

## **-LAMPS-**

- 1) Use **ONLY** a dry cloth to dust lamps.
- 2) Avoid using **ANY** cleaning fluid or cleansers as this may cause premature tarnishing and wear.
- 3) If cleaning fluid or cleansers are accidentally used, dry all parts immediately.

## **-SHADES-**

- 1) Use dry cloth to dust shade.
- 2) Shade **MUST** be removed from lamp if a household cleaner is used.

**Any questions regarding cleaning or maintenance, please  
call JES Lighting toll-free at 1-888-330-5267**
